Genuine CUPRA components, oils and other fluids or components, oils and other fluids of equivalent specification and matching quality must be used. Failure to comply with this condition will result in a warranty claim being rejected.
- Failure to keep **your vehicle** serviced in accordance with the manufacturer's service schedule will void the warranty. You must keep all servicing receipts and invoices. **We** will be entitled to check that **your vehicle** has been serviced regularly and may ask to see these in the unlikely event that the condition of **your vehicle** does not appear to correspond with **your vehicle** service schedule.
- The cost of any investigation work can only be authorised by **you**, in the event that it is found that the problem is not covered by the warranty, **you** will remain responsible for any costs incurred.

- Where **your** motor insurance should pay for a repair or will deem your vehicle to be a write-off, then **your** motor insurance should be used and not this warranty.
- **Your** warranty may be invalidated if **your vehicle** continues to be driven when a fault becomes apparent which results in further damage.
- If **your vehicle** is registered to a VAT registered company or individual, the VAT element of a valid warranty claim can be claimed by that company or individual and it is the responsibility of that company or individual to do so. **We** will not be liable for any such amount.

- **You** must take all reasonable steps to safeguard **your** vehicle against **sudden failure**.
- You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act to take care to supply accurate and complete answers to all of the questions **we** ask when **you** buy **your** CUPRA Extended Warranty cover. - If a claim occurs **you** must comply with the relevant claims procedures within this Cover Booklet. Failure to do so may invalidate **your** cover.
- If **your vehicle** is deemed to be **beyond economic repair**, the salvage value of **your vehicle** will be deducted from the **market value**.
- If **you** have chosen to pay for **your** policy in one annual payment, the insurance premium is due at the time of Extended Warranty purchase. If **you** have chosen to pay in monthly instalments, an initial

monthly premium is due at the date of Extended Warranty purchase and subsequent monthly payments will be taken each month on the same date via Direct Debit. Further information about the agreed payment method and the Direct Debit due date can be found in **your Confirmation of Cover**.
